

How to find us...

The quickest route down to St Ives is via the A30. When you leave the A30 at the end of the bypass, you take the A3074 right into St Ives via Carbis Bay.

As you pass through Carbis Bay you will begin to enter the outskirts of St Ives and it is important to hug the coast, keeping the sea view on your right-hand side. When you come to a fork in the road with the 'Porthminster Hotel' on the right veer right towards the Town Centre heading along 'The Terrace'. Continue straight down 'Tregenna Hill' into the 'High Street'. At the T-Junction with Barclays Bank facing you and the Post Boxes on your left, turn left into Bedford Road and we are situated 50 metres up the road on the right.
